New Rules For Town Meeting

New rules will be in effect Monday night when town meeting opens at the East Junior High Auditorium.

Moderator William A. Dalton has adopted suggestions of the Town Government Study Committee that persons wishing to pass on a line item in the budget

must identify themselves.

Also, debate will be limited to five minutes for presentation and five minutes for rebuttal. Any person who feels that more than five minutes will be required to present a case, may submit a request in writing to the moderator prior to the meeting.

Town Meeting Monday

Selectmen, FinCom At Odds

With the annual town meeting about to be gavelled to order on Monday night, the annual exercise in disagreement between the selectmen and finance committee is again in order.

The two groups continue to meet this week in an attempt to

iron out differences of opinion on budgetary and tax rate matters as voters prepare to open the annual municipal business session at 7:30 p.m. Monday in Memorial Auditorium of East Junior High school.

As for the tax rate, the selectmen have indicated that based on their recommendations, the levy could be \$1 higher in the coming year based on their suggestion of use of \$1.2 million in the town's free cash account.

The Finance Committee, however, in their report, mailed to voters this past week, indicate that the rate may be either held or reduced a dollar, based on their recommendation to use \$1.5 million of free cash.

The latter suggestion was among the items scheduled for discussion by the FinCom Wednesday night, after the TOWNSMAN went to press.

There are other budgetary items which are to be ironed out among the members of both boards prior to the convening of the session this coming Monday night.

The selectmen reviewed some of the differences last Monday and will meet again next Monday morning for further review. The FinCom was scheduled for at least the Wednesday night session on budget and warrant items.

Total budget as recommended by the town manager, and including school costs has been set at \$17,530,734. The FinCom is suggesting a figure of \$17,403,720.

It is expected that the major part of Monday's session will be consumed by budget deliberations, before adjourning the session to the following Monday. At the April 7 resumption, the annual meeting will be adjourned to take action on a special town meeting warrant dealing mostly with appropriations to meet past year budgets, and the MBTA issue.

Monday night, the selectmen indicated a desire to meet with the new Finance Committee after town meeting to see if some agreement can be reached on policy and procedures before another town meeting rolls around.

Subject of concern, particularly on the part of Selectman Alan F. French was the FinCom's suggestion of reducing some budgets with the provision that the manager could return to obtain funds from the reserve fund.

Also, French expressed some

Town Gets Bicentennial Designation

Andover has been designated as a Bicentennial Town by the state Bicentennial Commission, thus making the community eligible for matching funds from the state.

Mrs. Norma Gammon, chairman of the Andover Bicentennial Committee reported that she had been informed of the designation by the commission this past week.

The designation means that the committee will now be able to present programs to the state commission for approval in requesting matching funds for various projects.

The town will be eligible to apply three times between now and the end of 1976 for the funds which could be up to \$15,000.

The programs must be planned for preservation of the town's history or heritage to qualify for the matching funds.

The Andover commission has received support from the selectmen in their request for \$17,000 in planning funds to be presented to the April 7 town meeting session.

Approval was accorded the committee on the basis of their seeking some matching funds.

Rail Service Investors Face Derailment of Intent

By Robert E. Finneran
Managing Editor

Those who pledged \$6,000 last fall to continue the commuter train service to Andover, based on bringing the MBTA bill before a regular town meeting in the Spring, may find the intent of their investment derailed.

At the April 7 special town meeting, within the regular town meeting, the issue of MBTA service is again to be acted upon with the town's cost for the train from Jan. 1, 1974 through June 30, 1975, set at \$20,000.

Of this amount, the selectmen will recommend the town pay \$14,652, and leave \$5,348 for the Andover Rail Committee to negotiate with the MBTA.

The \$5,348 is for that portion of train service to Andover from Nov. 17 to April 7, the period during which the Andover Rail Committee sought and received pledges totalling \$6,000 to assure the MBTA that continuance of the train would be paid for, pending annual town meeting action.

But the agreement between those who pledged and the rail committee was that the funds would be held in escrow in a bank (Andover Savings Bank) with the provision that the money would be returned to the contributors following town meeting action to pay the past due bills for train service.

The selectmen Monday night agreed that the article to be placed before the special April 7 session, would outline the three periods for which payment is due.

They also were in agreement that the rail committee would be responsible for that portion for which they, in effect, contracted for.

What effect it will have on the Rail Committee remains to be seen, in view of the original intent that the funds would be returned.

John S. Sullivan, who along with Atty. Robert S. Zollner, spearheaded the drive for funds when the October town meeting rejected, by four votes, continuance of MBTA service, said

he felt the contributors would have to be asked if they wished to apply those funds to the total bill.

Sullivan said the selectmen

did not make any pledge to the committee back in the fall regarding the overall funding

Britain's Sec. of State To Be Stearns Lecturer

THE TOWNSMAN, MARCH 27, 1975

Britain's Secretary of State for Social Services will fly from London to Massachusetts next week to deliver Phillips Academy's prestigious Stearns Lecture to students, faculty and interested townspeople.

The Right Honorable Barbara Castle MP, "widely known as second only to Indira Gandhi among distinguished political women active in the world today," in Phillips Academy's Headmaster Theodore R. Sizer's words, will speak on Cabinet government in Britain on Thursday, April 3, at 8 p.m. in George Washington Hall. The public is cordially invited.

Lady Castle, a worker for the Labour cause since girlhood, has been a member of Parliament since 1945 and a Cabinet member each year that Labour has been in power since 1964. She comes fresh from an historic Cabinet vote and test of Labour Cabinet solidarity, which may have important repercussions for Cabinet government: Prime Minister Harold Wilson recommended that Britain accept its renegotiated membership in the European Community on the basis of a 16-7 Labour Cabinet vote -- the first public announced vote-split in British Cabinet history. The Rt. Hon. Barbara Castle was in the minority on this vote -- essentially voting against continued Common Market membership for England.

The 1975 Stearns Lecturer is noted for the breadth of her governmental expertise and interests, which include overseas trade, employment and national productivity as well as social and humanitarian issues. She was a

Cabinet Minister when Labour was in power from 1964 to 1970, as Minister of Overseas Development, Minister of Transport and, latterly, as First Secretary of State and Secretary of State for Employment and Productivity. Here she carried through Parliament the Equal Pay Act which extended equal pay for women in industry. As a member of the Opposition, after the Labour Government fell to the Tories in 1970, she was 'Shadow' Minister for Employment and Production for a year and a half. On Labour's return to power, Mrs. Castle was appointed to her present post, Secretary of State for Social Services and is now in charge of Britain's nationalized health service, and the entire range of that nation's social security services, encompassing at least the responsibilities in her country that accrue to The Health Education and Welfare Secretaryship in the United States.

One of England's most distinguished socialists, Mrs. Castle began as a Labour Club officer when a scholarship student at St. Hugh's College, Oxford. She was an active member of the Fabian Society, with George Bernard Shaw and other socialists, and is part author of Social Security, a Fabian Society symposium. Beginning her career as a journalist in London, she was soon elected to a London Borough Council. She was an air raid warden during the Battle of Britain, and after various wartime services in London was elected in 1945 to Parliament, where she has earned the reputation of "a completely dedicated Member of Parliament," according to the British Consulate Office in Boston. Mrs. Castle worked on

social and humanitarian questions as an alternate delegate to the General Assembly of the United Nations in 1949 and 1950.

The British Cabinet Minister will be accompanied to Andover by her husband, the journalist Ted Castle, who was created a life peer (Lord Castle of Islington) in May, 1975, an aide and a secretary, a representative from the British Consulate in Boston, and friends from the Boston area who will be the Castle's overnight hosts.

Before the Stearns Lecture, Lord and Lady Castle and their party will be guests of Headmaster and Mrs. Theodore Sizer and Trustees of the Academy at a reception and dinner. The Phillippian, Andover's student newspaper, plans to interview the Stearns Lecturer in the afternoon, and a question and answer period is planned for Phillips Academy seniors after the lecture.

The Rt. Hon. Barbara Castle MP joins a truly distinguished list of more than 45 Stearns Lecturers since Phillips Academy benefactor Thomas Cochran set up the Alfred E. Stearns Lecture Foundation in 1927, to honor the headmaster at that time. Among the Stearns Lecturers whom Academy and town audiences

have heard are the poet Robert Frost (1938), Nobel Prize Winner Dr. Arthur Compton (1941), Archibald MacLeish, poet and Librarian of Congress (1941), Historian Samuel Eliot Morison (1948), Professor Jacques Barzun of Columbia University (1958), Dr. Jonas Salk, developer of the Salk polio vaccine (1963), Dick Gregory, civil rights and peace activist (1970), Daniel Patrick Moynihan, presidential advisor and Ambassador to India (1973), and Dr. Robert Coles,

psychiatrist and Pulitzer Prize winning author (1974).

Ambulance Law Is Explained

The Office of Emergency Medical Services, Region VIII, held a meeting for all directors of ambulance services, fire and police chiefs, and town officials in the Merrimack Valley Tuesday on the recently promulgated rules and regulations of the Massachusetts Ambulance Law.

The Ambulance Law, originally enacted in late 1973 in response to the need to establish standards for ambulance services in Massachusetts, is one of the most comprehensive emergency medical services (EMS) laws in the country. The rules and regulations adopted on Feb. 11, 1975 set forth requirements for

licensure of ambulance services, training of attendants and inspection of ambulances.

This was the first in a series of meetings to be conducted by the Office of Emergency Medical Services in an effort to assist towns in complying with the Rules and Regulations of the Massachusetts Ambulance Law.

The Office of Emergency Medical Services for the Merrimack Valley is located in Andover at 26 Chestnut Street.

Attending the meeting, held at Merrimack College were Andover Town Manager J. Maynard Austin, Andover Police Lt. Raymond Collins and North Andover Fire Chief James P. Daw.

Lucie is an accomplished singer and guitarist. She has played at many college concerts; at many of the Vermont and New Hampshire ski areas; and several of the Boston clubs. Lucie recently returned from a successful tour of Spain.

Thunder Train is a popular rock group originating from Boston. They have been playing many of the New England clubs with increasing popularity. Thunder Train plays a variety of well known rock pieces with a sampling of their own original music.

All proceeds will be used to support the Andover A.B.C. program.

Andover ABC Plans Concert

Andover A.B.C. will sponsor a concert, Friday, April 4, featuring Lucie from Toronto, Canada and Thunder Train from Boston.

The concert will be held in the auditorium of the East Junior High beginning at 8 p.m. Tickets may be purchased at the Elander Township, Main Street, Andover or at one of the Andover secondary schools.

At Congress

Dr. and Mrs. Calvin G. Perry and Dr. and Mrs. Martin J. Baer of Andover were among the 3,000 New England optometrists and guests attending the 53rd Annual Congress of The New England Council of Optometrists, held at the Sheraton-Boston Hotel March 15-18. The Congress is one of the largest regional optometric post-graduate educational meetings in the nation.

Dr. and Mrs. William V. Emmons, Andover, were guests of honor at a recent testimonial luncheon at the Sheraton-Boston Hotel. The luncheon was sponsored by The New England Council of Optometrists, and honored Dr. Emmons for nearly 25 years of service as an officer.

Dr. Emmons Is Honored

A prominent Andover optometrist has been honored by The New England Council of Optometrists for almost a quarter of a century of service.

Dr. William V. Emmons had been secretary-treasurer, and more recently treasurer, retiring from that office during the 53rd annual Congress of the Council, held March 15-18 at the Sheraton-Boston Hotel.

He has been a NECO member for 37 years, and for 12 years he was chairman of the NECO Interprofessional Relations Committee.

Dr. and Mrs. Emmons were honored during the Congress with a testimonial dinner attended by more than 200 of their friends. Toastmaster was Dr. Calvin Perry, Andover, Dr. Emmons' associate, and among the gifts was an all-expenses-paid vacation for the couple in Bermuda.

Active in National Optometry
In the American Optometric Association Dr. Emmons has served as a member and chairman of the Department of Organization, the Committee on Regionalization, and the Resolutions Committee. He also was a member of the AOA Department of Public Information for two years.

For 23 years he was a member of the International Society of Optometric Executives, and for 26 years he served at the Refraction Clinic at Massachusetts Eye & Ear Infirmary.

Educated at Bentley College and Massachusetts College of Optometry, Dr. Emmons was an instructor at Massachusetts College of Optometry for 3 years, and an acting dean there.

In Andover he was chairman of the Board of Health for 6 years, and a Board member for 15 years. He has been a visual consultant to the Andover Public Schools for 36 years, and a member of the Board of Appeals, Selectmen, and Assessors.

He was the first optometrist to be appointed to the Medical Advisory Board of the Massachusetts Department of Public Welfare, and the first optometrist elected to the Board of the Massachusetts Society for Prevention of Blindness.

His other interests have included the Andover Savings Bank, for which he was a corporator and clerk; the Andover Home for Aged People; Andover Historical Society; Trustee of Trust Funds,

South Church, and Trustee of the Ministerial Fund of South Parish.

Dr. Emmons' wife, Marjorie, has shared his enthusiasm and optometric activities. She was president of the Women's Auxiliary to the New England Council of Optometrists, and presided at the Auxiliary meetings at the 50th Annual NECO Congress three years ago.

Dr. Emmons and his wife have three children, Elaine, Donald and Joanne.

Excise Tax Backlog Bothersome

THE TOWNSMAN, MARCH 27, 1975

If your automobile excise tax bill is a little behind, don't blame the local tax collector, look to the computers at the Registry of Motor Vehicles.

Towns and cities throughout the Commonwealth are faced with the problem of bills for prior years just now coming into the hands of local authorities for processing.

In Andover, Collector-Treasurer Myron H. Muise reports that his office has recently been receiving bills for taxes due in 1973 and 1974. His conversations with other collectors indicate that some towns

are just now receiving bills for 1972.

All excise tax billing is done through a computer at the registry of motor vehicles. The town receives the bills all made out, posts them and mails them to residents.

Muise said this week that a school bus driver had received two or three bills in one week for prior and present year vehicles.

Some persons upon receipt of a bill come to the office to report they no longer own the car having traded it a year or two ago.

In addition to presenting problems of explaining the matter to taxpayers sometimes irked at the lateness of receiving the bill, the town and cities are also coping with the problem of awaiting the funds for municipal financial planning.

Excise taxes go into the town treasury. When budgets are being planned, administrators use estimates of anticipated excise tax revenue, which, based on the current schedule of bills coming from the registry computer is risky at best.

Still Need Items For Auction

The Andover Recycling Committee is still seeking attic and cellar treasures for its recycling auction set for Saturday, May 3, at the Recreation Park.

Items already in storage for the event include andirons,

fireplace screens, children's bicycles, repaired appliances, school desks and a pool table.

The committee is seeking toys, games, sports equipment, garden and household items, television sets and furniture that are no longer wanted, but can be recycled via the auction to someone who could use them.

Profits from the auction will go to the town.

Items will be picked up by the town.

Water Main Construction Scheduled

Work is expected to begin shortly on construction of 10,270 feet of water mains in Andover. Approximately 2,000 feet of the mains will be constructed in Salem Street; the remainder will be constructed in Boston, County and Gould Roads.

The apparent low bidder for the work designed by Camp Dresser & McKee, Inc., con-

sultants to the town of Andover for over twenty years, was Patsy Cavalieri & Sons, Inc., of North Attleboro. Their bid of approximately \$170,000 for an 8-inch diameter pipe, and \$223,000 for a 12-inch diameter pipe was the lowest among fourteen bids submitted.

All bidders were required to quote on cast iron pipe and duct

tile iron pipe for the installation. In a few cases, differences in the bids for the different material were identical or very close.

Work is expected to begin in a few weeks, just as soon as the contract is awarded and executed. The date of completion, if work goes on schedule, is two hundred days from the time of contract execution.

Budget Differences

(Continued from Page One)

concern about comments in the FinCom report which indicated the advisory group had made recommendations to town departments on purchasing and use of personnel.

The budget cut matter was presented when agreement was reached on a reduction in the police budget which Town Manager J. Maynard Austin said could be obtained from the reserve fund as suggested by the FinCom.

French said he felt this was a bad principle. "I don't want to have us in the position of the Finance Committee becoming another oar in the administration of the town."

Referring to the FinCom report, French offered objections to the section which dealt

with the members making detailed recommendations and suggestions to town departments on procurement of commodities and more efficient use of personnel.

Such areas had included lighter police cars, use of civilian personnel for purely administrative public safety jobs, and methods to obtain discounts on uniform purchases and obtaining of office machinery.

French said that "however well intentioned and skillfully done, such activity does not lead to the best interests of the town."

As for the reserve fund tactic, French said he felt this was almost a circumvention of town meeting.

As for the budget items, the selectmen felt a special meeting next Monday morning would be best for a review. Chairman Milton Greenberg who was unable to attend the

Monday session this week, will be tied up on business until next Monday, thus the full board could not be in session until that time.

The budget differences were a result of a session last Saturday morning between members of both the selectmen and FinCom along with the manager.

Major item includes the use of the free cash account to reduce the tax rate.

The selectmen feel that the \$1.2 million figure should be used. This is based on the projections of the manager on the increasing costs in the year ahead, as well as whether state funds will be provided in the amounts now estimated.

Town Manager J. Maynard Austin cautioned the board Monday night about the possible effects of the fiscal plight of the state on cities and towns.

The amount of money to be provided for the reserve fund also amounts to an \$80,000 difference of opinion between the boards. Last year the fund was \$120,000. The FinCom recommends \$200,000 for the coming year, with a possible compromise seen at \$150,000.

Other items, which as of midweek the selectmen were intent on keeping in the budget over FinCom objections included \$41,000 for continuing the hot topping program of the highway department, \$18,300 for continuing the mosquito control program, with Selectman French slated to object in a minority report; \$10,000 for the vehicle maintenance and replacement program, \$11,000 in the recreation department for a second program supervisor to work with teenagers and young adults and \$4,000 for repair parts for the water department.

Best produce buys this week according to the Mass. Dept. of Agriculture, will be zucchini squash, green cabbage, yellow onions, iceberg lettuce, celery, Maine potatoes, carrots, broccoli, oranges, tangerines, grapefruit and apples. Fresh asparagus is also beginning to be more plentiful and reasonable.

Investors Face Loss

(Continued from Page One)

procedure to be presented to the annual town meeting.

"In all fairness, it must be pointed out that the selectmen made no commitment to us concerning the total funding, but I would encourage the board to leave the item open and to see what the wishes of the voters would be to paying the entire bill."

"The interest and dedication of the members of the rail committee in preserving rail transportation to Boston, dictates a consideration of payment of all the funds by the town," Sullivan stated.

Sullivan confirmed that those who pledged funds last fall had the hope and expectation that the town would pick up the cost of the total bill for train service for the 18-month period.

He said that while some members of the rail committee might well be willing to contribute their shares to the total members are or rather of the and participated with the expectation of having the funds returned if the article was approved at the annual town meeting.

Sullivan pointed out that the single train daily to and from Boston has benefitted more than just the ARC members, since many residents have been using the service in addition to those who pledged.

He also noted that the efforts of the committee resulted in retaining the train service to Andover. Has the service been terminated as was threatened by the October vote, it would have been most difficult to get it back.

He said the selectmen's action in separating out the three periods for which the town is indebted is appropriate, but felt strongly that the overall matter should be left up to the voters at town meeting to decide on whether to pay the entire bill or not.

The April 7 session will be acting on two portions of MBTA service.

In the special town meeting warrant, the town will be asked to approve going to the legislature to allow payment of all past bills due the MBTA, covering the period from Jan. 1, 1974 to June 30, 1975. This part of the session deals with past service.

The session will then be asked to take action on the article in the regular town meeting warrant seeking funds for continuing the service through the 1975-'76 fiscal year.

Good Friday Service

12:20 - The Cleansing of the Temple - meditation by the Rev. David A. Hollenback, Ballardvale United Church.

12:40 - The Anointing at Bethany - meditation by the Rev. Earl Robinson, Andover Baptist Church.

1:00 - The Last Supper - meditation by the Rev. Randolph Becker, Unitarian-Universalist Church.

1:20 - The Prayer in the Garden - meditation by the Rev. J. Edison Pike, Christ Church.

1:40 - The Betrayal and Arrest - meditation by the Rev. Otis Maxfield, West Parish Church.

2:00 - The Trial before Pilate - meditation by the Rev. Donald Myrom, Faith Lutheran Church.

2:20 The Way to the Cross - meditation by the Rev. Richard Balmforth, Free Christian Church.

2:40 The Crucifixion - meditation by the Rev. Edward Robinson, O.S.A., St. Augustine's Roman Catholic Church.

Andover Men Are Promoted

Andover residents, Carl M. DeFranco of Juniper Road and David A. Hammer, Lansbury Lane, were elected assistant vice presidents of American Mutual Liability Insurance Company, Wakefield. The announcement came this week at the annual meeting of the company's Board.

DeFranco, who holds both a B.A. and an LL.B. from the University of Buffalo, joined American Mutual in 1960. He will continue to act as director of home office compensation, property and reinsurance.

A graduate of American International College, Hammer began his career with the company in 1971 as an investment analyst. Prior to his election as assistant vice president, Hammer was assistant treasurer of the company.

Both DeFranco and Hammer are also officers of American Mutual Insurance Company of Boston.

Coleman Completed Training

Airman William T. Coleman of Mrs. Rita C. Coleman, Kathleen Drive, Andover, completed Air Force basic training at Lackland AFB, Texas.

During his six weeks he studied the Air Force organization and customs, received special instruction in human relations.

The airman is remanded to Lackland for specialized training as a marksmanship instructor.

Airman Coleman graduated from North Reading High in 1972 and attended North Community College, Bedford.

Dr. Stewart To Address MVACLD

At 8 p.m. Monday March 31, Dr. James A. Stewart, the Lawrence schools' personnel services, will address the MVACLD meeting scheduled at the Lawrence Public Library, corner Haverhill and Lawrence Streets. The MVACLD is the Massachusetts Valley Association for Children with Learning Disabilities, draws its members largely from Lawrence, Methuen, Andover and North Andover.

The principal initial job of Stewart in Lawrence was to bring the city into conformity with the requirements of Chapter 76B, under the direction of the superintendent and the committee. The new law requires "the school committee provide the services needed by those having special needs, requires the school committee find who those children need the services."

According to association president, Varkey Sohigian, Andover, "This meeting is for any parent who has a child that may need for special education can find out the kind of service he can take to get help. The schools and through the organizations such as MVACLD."

Dr. Stewart will be meeting what Lawrence He recently stated that additional million dollars spent in Lawrence need. He'll be able to give help to parents attending the usual there will be a meeting from the floor. Association officers will be on hand, and many experienced parents prepared to give help in continuing bases and to follow up and advocate necessary.

The Rehabilitation Association is designed to provide opportunities for the elimination of discrimination against handicapped individuals who are physically or mentally handicapped.

Dr. Stewart To Address MVACLD

At 8 p.m. Monday March 31, Dr. James A. Stewart, head of the Lawrence schools' pupil personnel services, will talk to a MVACLD meeting specially scheduled at the Lawrence Public Library, corner of Haverhill and Lawrence streets. The MVACLD is the Merrimack Valley Association for Children with Learning Disabilities, which draws its members largely from Lawrence, Methuen, Andover, and No. Andover.

The principal initial job for Dr. Stewart in Lawrence was to bring the city into conformity with the requirements of Chapter 766, under the direction of the superintendent and the school committee. The new law "requires" the school committee to provide the services needed by those having special needs and requires the school committee to find who those children are that need the services.

According to association president, Varkey Sohigian, of Andover, "This meeting is a must for any parent who has a suspicion that his child may have a need for special education. He can find out the kind of steps that he can take to get help. Through the schools and through the aid of organizations such as MVACLD."

Dr. Stewart will tell the meeting what Lawrence is doing. He recently stated that an additional million dollars may be spent in Lawrence next year. He'll be able to give hope and help to parents attending. As is the usual there will be questions from the floor. Association officers will be on hand, along with many experienced parents, prepared to give help on a continuing bases and to provide follow up and advocacy where necessary.

The Rehabilitation Act of 1973 is designed to provide job opportunities for the eliminate job discrimination against qualified individuals who are physically or mentally handicapped.

Nuclear Debate At Lowell

U.S. Rep. Paul Tsongas (D-Mass.) and Lowell Technological Institute President Everett V. Olsen have invited the citizens of Andover to attend a "Nuclear Debate" at Lowell Tech, April 1 at 8 p.m.

Tsongas and Olsen cited the need to "establish a dialogue on the vital question of nuclear energy," in announcing the debate between four prominent nuclear scientists. Congressman Tsongas will act as moderator.

The nuclear scientists favoring the use of nuclear power plants will be Dr. Joseph Turnage of New England Electric and Dr. Ian Forbes, Chairman of the LTI Department of Nuclear Engineering. Forbes received national attention last year after challenging Ralph Nader to a televised debate on nuclear energy. Forbes accused Nader of using "scare tactics" on the issue. Opposed to further nuclear power plant expansion will be Dr. James MacKensie, Chairman of the Union of Concerned Scientists and an Audubon Society staff scientist; and Daniel Ford, Executive Director of the Union of Concerned Scientists. Ford led

the move to shut down the Pilgrim nuclear power plant in Plymouth due to potential reactor leakage.

Tsongas said the forum "will serve as a model in an attempt to establish a public dialogue on the future of nuclear energy." The Fifth District Democrat has been asked by Rep. Morris Udall (D-Ariz.), Chairman of the Energy and Environment Subcommittee, to look into establishing a format that the Subcommittee could utilize to focus additional attention on the nuclear question. Tsongas is a member of the Energy and Environment Subcommittee.

In Tinian

Marine First Sergeant James R. McGuirk, whose wife Joanna is the daughter of Mr. and Mrs. Francis McNulty of 200 Elm St., Andover, has participated in an amphibious training exercise on the Pacific island of Tinian.

He took part in ship-to-shore landings and related tactical maneuvers with the 2nd Battalion, 4th Marine Regiment, and supporting units.

The battalion is based with the 3rd Marine Division on Okinawa.

Accepted

William D. Peterson, 274 Hillside Road, North Andover has been accepted as a student at Bunker Hill Community College in Charlestown, it has been announced by Harold E. Shively, president.

Campora Concert At College

Giuseppe Campora, the distinguished Italian tenor, will appear in concert at Merrimack College on Sunday, April 6 at 8:30 p.m. in the Collegiate Chapel on the North Andover campus.

The Giuseppe Campora Concert is the final event in the 1974-75 Merrimack College Celebrity Series, now in its sixth season. Other concerts in this season's series have included Metropolitan opera soprano Martina Arroyo, the Roger Wagner Chorale, and the New York Brass Quintet.

A versatile operatic talent who has portrayed more than sixty operatic roles, Campora has been acclaimed as "one of the most elegant tenors of this generation." His versatility has shone in such rarely performed works as Giordano's "Fedora" and Donizetti's "Caterina Cornaro" with the New Jersey Opera Theatre at Carnegie Hall. He has also appeared as Count Danilo in Lehar's "The Merry Widow" with the Opera Theatre of New Jersey and Santo Domingo's Teatro Nacional performance of Verdi's "Requiem."

Campora's opera engagements this season have included "La Traviata" opposite Roberta Peters with the San Carlo Opera Company of Florida and opposite Anna Moffa in the same opera with the New Jersey Opera Theatre, "Lucia di Lammermoor" with the Philadelphia Grand Opera and "Madama

Butterfly" in West Palm Beach, Florida. He has sung "L'Elisir d'Amore" at the Teatro de Bellas Artes in Mexico City, and "Die Fledermaus" in Geneva, Switzerland.

A native of Tortona, Northern Italy, Campora took vocal lessons as a hobby until the age of 21 when he began advanced training in Genoa and Milan. A year

later, he made his professional opera debut in Bari, Italy as Rodolfo in "La Boheme." He made his Metropolitan Opera debut in the same role in 1955. He

has made numerous recordings since and has also appeared in Italian film productions of "Aida" and "Madama Butterfly."

Cronin At Conference

Former Congressman Paul W. Cronin was appointed to represent the United States at the International Energy Conference in Paris this past week. Cronin, one of the nation's foremost authorities on energy matters, is the only private citizen to be appointed to represent the United States.

Oil consuming nations have called this conference to develop a comprehensive energy program which will put consuming nations in a stronger position in dealing with the Organization of Petroleum Exporting Countries. Participating members will work to limit individual and collective vulnerability to future oil supply interruptions through an integrated arrangement to deal with emergencies. To reduce dependence on imported oil over the long term, a plan should be forthcoming which will permit cooperative efforts on conservation of energy and on accelerated development of alternative

energy sources.

While a member of the United States Congress, Cronin was the only member to have served on the Subcommittee on Energy of the Science and Astronautics Committee, the Subcommittee on Mines and Mining of the Interior and Insular Affairs Committee and the Congressional Energy Task Force.

Memorial Hall Library

Women's Year Celebrated At Library

Woman Seen, a two day happening for all people, will be held at Memorial Hall Library on April 17 and 18. The program is sponsored by the library in celebration of 1975 International Women's Year and National Library Week.

On Thursday, April 17, the theme will be the Arts. Films - foreign, art and feminist - will be shown from 10:30 throughout the day. In the evening, beginning at 8 p.m. there will be performances in music, dance and original poetry. An art exhibit will also be on view. Refreshments will be served throughout the evening.

On Friday, April 18, the theme of the day will be Reality. A view of the Whole World's Women will be presented at 9:30 a.m. by Caroline Rees and Eartha Dengler. From 10 a.m. to noon there will be four discussion groups to choose from open to men and women: 1. The Single Parent, 2. Alternative Lifestyles, 3. The Sexist Society and Men and 4. The Mature Woman, Her Goals and Aspirations. At 12:30 a panel discussion will evolve around "Women Today and Tomorrow." Bring a sandwich.

Tour Guide Course Is Offered

Starting Thursday, April 3, and running for six consecutive weeks, 9:30 - 11:30, Massachusetts Audubon Society's Ipswich River Wildlife Sanctuary in Topsfield, will hold a New Tour Guide Course.

This course is for people who enjoy the out-of-doors, like working with children, and who would like to become a paid guide for the Sanctuary's school tour program. This program of natural history walks for school and other youth groups is an important part of our busy spring season.

The course will involve a learning of the Sanctuary trails, natural history concepts, and methods of stimulating children to better understand their environment. Each session will consist of a short period inside followed by a walk on one of the Sanctuary trails - rain or shine so dress appropriately! Prepayment and registration are required. For information call the Sanctuary, Tuesday through Friday.

Accepted At Mount St. Mary's

Miss Cyd Driscoll, daughter of Mr. and Mrs. Thomas B. Driscoll of Andover, has been accepted for admission to Mount Saint Mary College, Hooksett, N.H.

Miss Driscoll, a senior at Andover High School, plans to major in elementary education.

Mount Saint Mary College is a small, private, Catholic, independent, four-year liberal arts college which prepares women for professions and careers in today's world. It is accredited by the New England Association of Schools and Colleges.

Methanol can be manufactured from wood wastes, coal and municipal wastes, according to the Massachusetts Audubon Society. A mixture of 10 to 15 per cent methanol with gasoline improves fuel economy and reduces carbon monoxide emissions. Europeans used methanol in vehicles during World War II.

the library will serve coffee.

The closing event will be at 8 p.m. when Secretary Lola Dickerman of the Office of Consumer Affairs presents a talk at the library on "The Role of Women in Today's World."

Ascent of Man Series

The final film in the brilliant Ascent of Man series will be shown on Wednesday, April 2 at 3 p.m. and again at 7:30 p.m. Titled The Long Childhood, the movie consists of a summation by Dr. Jacob Bronowski coupled with a look into the future of mankind.

Great Books Program

On Tuesday April 8 at 7:30 p.m. the Great Books Program will take up Nietzsche's Genealogy of Morals. Mr. Robert Rockwell will conduct the meeting and library patrons are cordially invited to attend.

Children's Room News

CALYPSO SINGER Noel Trott will be among the featured entertainment at the Homelands Festival, to be held April 3-6 at the Lawrence YWCA.

Calypso Entertainment To Be Part Of Festival

Strongly reminiscent of Harry Belafonte with his calypso songs and love-of-life personality, Bermudan Noel Trott is surely and steadily developing a reputation in the Greater Lawrence area.

Featured weekly at Maxwell's, Trott will also be among the special entertainment at the Homelands Festival, to be held April 3-6 at the Lawrence YWCA.

Trott's highly interpretive delivery gives even the seemingly carefree calypso music a deeper dimension. Standards like "Matilda" and lesser-known numbers such as "Shame and Scandal" reflect part of a culture as well as telling a light-hearted story.

"Each island has its own tale to relate," said Trott. "Bermuda is romance -- its songs speak of a love for the sand, sea and people."

"But Jamaica, the West Indies, St. Thomas -- here we have a different life," explained Trott. "The culture is poorer and many songs are based on anti-colonialism, a put-down of European powers who once dominated the land."

Billed as both a calypso and folk singer, Trott can hold onto

his audience no matter what the song. He seems to effortlessly glide from one style to the other, although he claims it "rips his brain" to make the transition.

"I will be completely and emotionally into a song such as Jacques Brel's 'Timid Freida' -- then in five seconds or so I have to shift my brain and soul into a totally different mood for something like 'Jamaican Farewell'," he said.

Trott's background is as impressive and versatile as his repertoire.

A native of Bermuda, Trott attended the Royal School of Music in Bermuda where he was awarded an advanced degree in music theory. He also studied contrabass, concert flute and accompaniment guitar under private tutors, in addition to attending the Gandy Burgess School of Music in Bermuda.

The popular Trott has appeared both as a musician and featured soloist with dozens of name hotels and nightclubs in the Islands, the United States and Canada.

In addition to Trott's calypso and folk music, the Homelands Festival will present a continuous program of ethnic entertainment. The annual pageant, sponsored by the International Institute and the YWCA, will be open to children only on April 3 and 4 and to the general public on April 5 and 6.

Other festival highlights will include a continental cafe, foreign films for children, and 25 different booths filled with exotic foods, displays or craft demonstrations.

Advance tickets at reduced rates are available at the Institute and YWCA.

Cabbage and carrots are higher in food value than other more expensive fresh vegetables.

Dr. Carlisle At Reception

Dr. Edwin R. Carlisle, formerly of 101 Lowell St., Andover, was invited recently to a black tie reception in Madrid, Spain hosted by the Ambassador of Kuwait. Present were ambassadors, diplomats economists and professors from many countries.

Dr. Carlisle was able to have discussions with the Iranian, Finnish and Kuwait ambassadors as well as representatives from various African republics.

Dr. Carlisle is professor of economics for the University of Maryland. He is currently teaching in Spain and his family resides in Germany.

Sons, Larry and Eric attend the Frankfurt schools. Larry, a junior in high school, will travel with classmates to Tunisia for Spring vacation.

The group will visit Tunis, the remains of the ancient city of Carthage, and go by Jeep to the world's largest Oasis, Tozeur in the heart of the Sahara desert.

Jazz Fest At Phillips

On April 5 at 8 p.m. in George Washington Auditorium, Phillips Academy will present its second annual jazz festival. James Harwood, music instructor and director of the jazz band is the festival coordinator. The participating secondary school ensembles are Norwood High School, Waltham High School, Choate School and Phillips Academy.

Thad Jones, trumpeter and composer, will be the guest band leader and soloist. Thad wrote his first arrangement at the age of thirteen. He played in the Army bands and joined the Count Basie Band in 1954. In 1963, he left Basie and arranged for various ensembles. In 1965, he and Mel Lewis formed their orchestra. Thad will direct and put together an all star group from the four bands.

Choate's jazz ensemble is directed by Phil Ventre, a trumpet player and a graduate of New England Conservatory. The ensemble tied for first place at the Northeast Jazz Festival in Bermuda this year. The school is also host for a summer jazz festival run by Ladd McIntosh.

The Norwood High School jazz ensemble is directed by Paul Alberta, a woodwind player and graduate of Boston Conservatory. The ensemble has done a European Tour and last year made a concert tour of colleges in the state of Massachusetts.

The Waltham High School jazz ensemble is directed by Thomas Ferrante, a saxophonist who is

also an instructor at Lowell State College. The ensemble has won various awards in the New Hampshire, Berklee and Massachusetts Jazz Festivals.

The Phillips Academy jazz band is directed by James Harwood, a woodwind player and graduate of University of Michigan and New England Conservatory. The ensemble has participated in various festivals and recently completed a six day tour of New England and New York state.

Each band will perform separately, followed by Thad and the All Star Band.

Members forming the military include, from left, Don Ward, Ed Parker, Lou Lawson and Dick Conoron.

Hypnosis Program At Center

Tomorrow night, Friday, March 28th at 8 p.m., the Andover Women's Center will sponsor a program on the improvement of self-image through the use of hypnosis. The evening is particularly directed toward women, but all people from Greater Lawrence and surrounding communities are welcome. The program will be held at the Unitarian-Universalist Church, 244 Lowell St., Andover and is free.

Two professional hypnotists, Richard E. Chiozzi, B.S., Ed. M., C.A.G.S. and William J. Mastroianni, B.A., Ed.M., will

conduct the program. Mr. Chiozzi's background is in education and human relations; his B.S. is from Boston College and he did his graduate work at B.U. While teaching psychology at Somerville High School, he developed an advanced course in human behavior. On a number of occasions he has been a guest speaker on radio on the subject of hypnosis. He is a member of the Association to Advance Ethical Hypnosis and also of the International Society for Professional Hypnotists.

William Mastroianni earned a B.A. with honors in education at

Holy Cross and received his Master's degree in Guidance from Harvard University, where he is working toward a doctorate. He was a professional counselor at B.U. for six years and taught seminars in self-image and self-development there. He has studied hypnosis at the New England Institute of Hypnosis and is a member of the Association to Advance Ethical Hypnosis.

For the past year both men have been conducting programs for the elimination of undesirable habits and the promotion of positive behavior patterns

St. Augustine's A Playoff Champs

13

THE TOWNSMAN, MARCH 27, 1975

By Rick Harrison

St. Augustine A captured the Senior Division playoff championship in the Andover Church Basketball League this week, racing to its sixth and seventh consecutive victories to earn the honor.

The playoff kings, who finished fourth but only one-half game out of first-place during the regular-season, began their title run with a 55-44 conquest of West Parish A in the semifinal round last Sunday at West Junior High.

St. Augustine A then won the crown last Tuesday evening at East Junior High, edging West Parish B by a 46-42 score as Tom Curtin poured through 22 points to lead the way.

West Parish B had gained the championship game by edging St. Augustine C, 31-29, on Jim Wetterberg's last-second bucket.

Title Game

St. Augustine A, a one-point loser during the regular season to West B (45-44), had its hands full from the start as the losers jumped to an early 6-1 lead on buckets by Joel Smith, Jim Wetterberg and Jeff Smith.

However, well-balanced scoring from Tom Curtin, Jim Morin, Jim Arnold and Dave Nardone enabled St. Augustine A to storm back for a 10-8 bulge at the end of the first quarter.

Both teams were red-hot from the floor in the second period, trading hoops and carrying out some pretty plays at both ends of the court.

Curtin pumped through 6 points and Morin 4 to power St. Augustine A, while Ed Goodman swished 6 and Dave Hill 4 in pacing West B.

When the horn sounded for halftime St. Augustine was perched atop a precarious 22-20 cushion.

Curtin and Arnold began controlling both backboards in the third period, as Hill was saddled with three fouls and resting on the bench.

St. Augustine A gradually built up a 32-24 lead, but Jeff Smith, Brian Staid and Steve Neyman brought pesky West B back to 34-30 with some clutch baskets over the final two minutes of the quarter.

Curtin contributed 7 points and Arnold 5 in the period for the champs, but Jeff Smith came back with 5 for West.

The fourth quarter looked like an instant replay of the third, as St. Augustine A came out flying and constructed a 42-32 lead on the eagle-eye shooting of Dave Nardone and Tom Curtin.

However, Jeff Smith heated up underneath for three buckets and with 29 seconds to play the difference was down to 44-40.

Jim Wetterberg then swished a pair of clutch free throws to make it 44-42, but seconds later Tom Curtin calmly countered with a brace of decisive charity

tosses to seal the victory for St. Augustine A.

Curtin was game-high with his 22 points, including 8-of-12 foul shots, and he came up with several steals resulting in beautiful driving lay-ups. He and Arnold also blocked four shots apiece.

Dave Nardone tossed through 8 points, Jim Arnold had 7 and a bundle of rebounds, Jim Morin 7 points and Rich Gusmini an important second quarter basket.

West B placed seven different players in the scoring column sparked by Jeff Smith with 15 points and a number of rebounds.

Ed Goodman chipped in 8 markers, while Dave Hill stuffed 6 points, corralled 11 rebounds and blocked three shots.

Wetterberg and Joel Smith popped in 4 points apiece, Brian Staid netted 3 and Steve Neyman had one fieldgoal.

West B outshot St. Augustine A 19-17 from the floor, but the champs hit 12-of-20 foul shots to just 4-of-10 for the losers.

Other members of the playoff champs are Bob Beaudine, Andy Sambuco, Terry Schwing and Mike Schwing. Milt Beaudine is the winners' coach.

St. Augustine A closed its season at 9-3 overall, while West B ended at 8-4.

Semifinals

A big 17-point outburst in the third quarter carried St. Augustine A to its 55-44 semifinal victory over regular-season champ West Parish A.

The winners trailed by a slim 23-22 count at intermission, but propelled by Tom Curtin's 7 points and 4 from Jim Arnold they went on a 17-9 rampage in the third session to take a lead they never relinquished.

Another 16 points spread evenly among five players in the finale assured St. Augustine A of a berth in the title game.

Tom Curtin, who pocketed 40 points in the two playoffs, had 18 here including four from the foul line.

Jim Arnold also cracked double figures with 12 points, while Dave Nardone caged 8, Jim Morin 6, Bob Beaudine 6 points and solo buckets were collected by Terry Schwing and Rich Gusmini.

West Parish A, sporting a final 9-3 record but unable to beat St. Augustine A in two tries, received 14 points each from Bill Hall, Andy Campbell and Randy Hayman. Jeff Rosen canned a second period basket.

Also playing well for the losers were Pete Newton, Mark Paro, Mike Donahue and Chris Elliott.

West B, 31-29
Jim Wetterberg, whose last-

second heroics pulled out a regular-season game for West B, was up to his old tricks in the semifinal playoff.

Jim hadn't scored a bucket all game, although he contributed several assists and good defensive plays, but when he finally did make connections it came at the right time.

The score was tied 29-29 and after a series of turnovers both ways, West B had possession with three seconds to go.

Jim made his coach look like a master of strategy, dribbling over half-court and flinging up a 30-foot shot from well beyond the key area.

The buzzer sounded while the ball was in mid-flight, but it didn't matter when the shot hit the backboard perfectly and banked through the net for the winning two points.

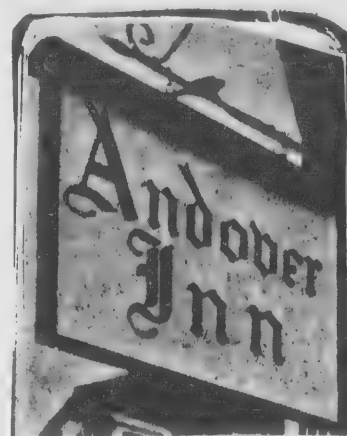

The desperation heave wiped out a fine comeback bid by St. Augustine C, which had fallen behind 13-5 after one quarter.

The losers raced back to tie it 23-23 after three stanzas, and went ahead 29-25 late in the error-filled fourth quarter behind Mark Sampson's two buckets and a pair of John Walsh free throws.

Dave Hill and Eddie Goodman delivered clutch baskets to create the tie, setting the state for a "typical" Wetterberg game-saving shot.

Jeff Smith guided West B with 11 points, while Hill flipped in 8, Goodman 6, Joel Smith 2 and Steve Neyman a pair of early free throws.

Mark Sampson of St. Augustine C was game-high with 14 points,

Bantam's Tie Methuen, Lose To Worcester

By Rick Harrison

The Andover Bantam 'A' traveling hockey team locked horns with powerful Worcester and Methuen recently, and ended up notching just one tie for its troubles.

In fact, both games went almost the same route as the first time the rivals met.

Beaten by Worcester 6-0 in an earlier clash, Coach Dick Neal's locals fared little better this time and lost 5-1 at Merrimack College.

Andover fought to a 3-3 draw with Methuen earlier this month, and last Sunday afternoon at Brooks School the result was 5-5.

The showing left Andover with a 14-11-5 overall record entering the last few games of the 1974-75 campaign.

Worcester, 5-1

Worcester jetted to a 1-0 lead just 63 seconds after the game opening faceoff, but Dave Hill shut the door for some time thereafter and Len Driscoll's 15th seasonal goal tied it 1-1 at 4:39 of the middle period.

Don St. Jean started the scoring

play with a breakaway pass to Paul Farnham. Farnham was tripped up as he crossed the Worcester blue line, but still got a shot off from his knees as the referee waited to call the delayed penalty.

Driscoll, trailing the action, moved in and punched the puck past the Worcester netminder.

The visitors needed just 22 seconds to break back on top, scoring at 5:01 and again 83 seconds later for a 3-1 bulge. Two more redlighters within a 25-second span late in the canto spelled Andover's doom, and the teams struggled through a scoreless third session.

First Line Magic

The first line of Len Foote, Dave Farrell and John Sagaser came alive and accounted for all five goals in the tie with Methuen.

Foote pumped in another three-goal "hat trick," giving him 33 lamplighters on the season, and he also assisted on solo tallies by Capt. Farrell and Sagaser for a five-point effort.

Farrell set Foote up three

times and Sagaser had a helping hand on two of the goals.

Foote opened the onslaught at 4:37 of the first period, taking a Farrell feed and depositing an eight-foot wrist shot.

Methuen struck for a pair of quickies 38 seconds apart against starting Andover goaltender Todd Bateson, but Foote tied it 2-2 at 9:48 with an unassisted goal just after a Methuen powerplay.

Len carried the puck in from center ice, pulled the Methuen goalie out with his moves, and simply flipped the puck over the netminder.

Foote completed his hat trick and boosted the locals into a 3-2 lead at 7:08 of the middle stanza.

"This was an excellent combination play," recalled Coach Neal. "After some pinpoint passing Farrell took a shot. The puck was deflected by Sagaser and guided home in flight by Foote."

Andover goalie Dave Hill, after relieving Bateson and blanking Methuen for the second period, surrendered a flukey 80-foot short-handed goal at 0:07 of the third canto to make it 3-3.

Methuen registered twice more before the period was six minutes old, and suddenly Andover found itself in a 5-3 hole with time running out.

John Sagaser brought the locals back within striking distance at 5-4 at the 9:45 mark, stuffing home a six-foot rebound after some hard work by he, Foote and Farrell kept the pressure on the Methuen goalie.

Farrell tied it for the final time a mere 18 seconds later, again capping some crisp passing among the three first-liners with his 21st red-lighter from 10-feet out.

Schedule

Neal's sextet was slated to face the Masconomet Bantams last Tuesday night at Merrimack College.

Negotiations were also on with Lowell for a game this Saturday, but if that fell through the season came to a close last Tuesday.

Earn Numerals At Dartmouth

Four area athletes earned numerals for Dartmouth College freshman teams this winter.

Bob Ceplikas and Andy Breen, both from North Andover, played hockey and basketball respectively. Topsfield's Mark Panella played left wing on the second line most of the season for the Pea Green skaters, while Bob Kelly of Salem, N.H., showed one of the best outside shots for the frosh cagers.

Both the freshman hockey and basketball teams at Dartmouth had 11-6 records this winter.

Ceplikas, who was named to the Cape Ann all-star team last winter, scored two goals for the Pea Green in 11 appearances this season. Both of his tallies came in Dartmouth's 6-1 win over the Norwich junior varsity. He is the son of Dr. and Mrs. Thomas A. Ceplikas of 40 Milton St. in North Andover.

Breen, a classmate of Ceplikas at North Andover High last year, was eighth in

scoring for the Dartmouth freshman basketball team. He averaged 3.3 points in 16 games, including 10 against St. Michael's and nine in the final game of the season against Massachusetts' JV's. Breen captained North An-

dover's state championship basketball team last winter. His team also took three straight Cape Ann League titles. He is the son of Mr. and Mrs. Daniel Breen of 10 Lorraine Ave., in North Andover.

Men's Lg. Banquet Tonight

The Andover Men's Basketball League will hold their first Banquet this Thursday evening, March 27 at the West Junior High Cafeteria at 7 p.m. Following the dinner there will be an awards presentation with each team in the league receiving a MVP trophy and best sportsmanship trophy, along with a few special plaques to be handed out.

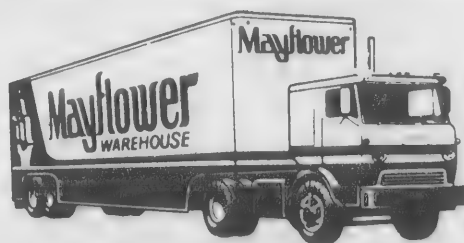

A Most Valuable Player Trophy will also be presented to the top player in both the 19-32 Division and 33 and Over Division. The final awards will be presented to the two League Divisional Champions, the Panthers 19-32 Division Champs with a (14-1) record and Sweepers the 33 and Over Division Champs with a (13-2) record.

Members of the Panthers were Player-Coach Frank Monette, Arthur Yancy, Vin Doherty, Dan Shlakis, Richard McAnern,

Kevin Twohig, Alan O'Reilly, and Alan Kenney.

Members of the Sweepers were Player-Coach Milt Beaudine,

Jack Dean, Peter Finn, Fred Serley, Dick Stevens, Ken Schenk, Bill Coon, Ted Babine, Tom Comparato and Jack Lyons.

Spring Courses Offered

Swim Captain

Daniel Lynch, son of Mr. and Mrs. Kalman J. Lynch, 99 Reservation Road, has been elected captain of next year's swimming team at Phillips Academy. Lynch, a graduate of Pike School, is a member of the Academy's varsity soccer team, and will be competing this spring for the lacrosse team, in his third year at the Academy.

The Recreation/Community Schools Department has decided to offer a few of its more popular classes in a short term Spring program. Registration for these classes will begin on Monday, March 31 at 8:30 a.m. and will be accepted on a first come first serve basis only at the Recreation/Community Schools office, 36 Bartlet St. The date for each class is listed with the description below. Please be aware that starting dates vary throughout the entire month of April.

The following courses will be offered:

Ballroom Dance: taught by Marie Parker will be held on Fridays at Bancroft School. All three levels will be offered. The program runs for 10 weeks and costs \$15 per couple. The time for each level is 7-8 p.m. Advanced: 8-9 p.m. Intermediate: 9-10 p.m. Basic. Classes will begin April 11.

Men's Volleyball will be offered for 6 weeks on Tuesdays, from 7:30 - 9:30 p.m. at West Junior High. The program will begin April 8th.

Trimnastics for Women,

taught by Harriet Ahouse will be offered for 6 weeks at West Elementary School. The class is Tuesdays from 8 - 9 p.m. The course will begin April 15.

Physical Conditioning for Men will run for 6 weeks at the High School. George Sullivan will help men get in shape for the summer through indoor as well as outdoor exercises. The class is on Wednesdays, 7:30 - 9:30 p.m. It will begin April 16.

Macrame, taught by Sue Daly will be offered for 4 weeks. The class will be held on Mondays, 7:30 - 9 p.m. at Sanborn School. The class will begin April 28.

Yoga will be offered at two levels, Beginning and Intermediate. These classes are open to both women and men. They will be taught by Madlyn Pettit. Yoga will be held at the High School on Wednesdays and will run for 6 weeks. The Beginning class will be 7-8 p.m. and Intermediate 8-9 p.m. Mrs. Pettit suggests that students wear very loose fitting clothing and bring their own mat if possible. Classes will begin April 30.

Spanish 3, taught by Dominic Rossi will be offered for 5 weeks.

This class was scheduled in the Winter Booklet as part of the previous registration, however, there are still openings for those who wish to improve their fluency and grammar. The class is on Thursdays from 7:30 - 9:30 p.m.

at West Junior High. It will begin April 3.

Men's League Champions

The Panthers captured a 14-1 record in the Men's Basketball league this past season to win the Over-30 division crown. Back row, from left, Dan Shlakis, Art Yancy and Kevin Twohig. Front, Alan O'Reilly, Player-Coach Frank Monette and Dick McAnern.

W. Parish In Finals Of Tourney

The West Parish Intermediate basketball team moved into the finals of the Lawrence Jewish Community Center Biddy League post-season playoffs, belting fourth-place St. Theresa's of Lawrence 50-14 last Sunday in the semifinal round.

For the Andover-based sixth grade quintet it boosted the overall record to a fine 23-1, as West tries to add the playoff title to its regular-season crown and Hampstead, N. H. Tournament championship.

Tim Plass dropped through 8 points in the first quarter, while Chris Doherty and Ted Kelley added 4 apiece to propel West Parish to a comfortable 18-2 lead following the opening period of play.

Solo buckets by Doherty, Kelley, Plass and Glen Johnson upped the spread to 26-6 by half-time, and then Doherty flipped in 4 more in the third session as West made it 36-7.

Ted Kelley tossed through 6 markers and Tim Plass chipped in 4 more to spark the attack in the fourth quarter.

Six of the winners' players entered the scoring act and three finished in double figures for West Parish.

Tim Plass fired through 16 points and also pulled down seven

rebounds.

Ted Kelley swished 14 points, hauled in 10 caroms and registered four steals.

Chris Doherty cracked twin digits for the 14th time in JCC action, netting 12 points and also handing out five assists.

Lefty Bob Heidt stuffed 4 points and contributed a sharp defensive effort, while Glen Johnson had 2 points and five rebounds.

Dick Kelley, although hampered by a bone bruise on his shooting hand, collected a single basket.

Tom Beaumier once again delivered a superb floor game with eight rebounds, five steals and four assists to go with a hustling defensive performance.

The victors hit 24-of-55 shots

from the floor as a team.

The West Parish crew will play a non-league game against the Newton All-Stars this Saturday, and will battle regular-season runner-up St. Mary's of Lawrence for the JCC playoff championship next Sunday.

High-scoring guard Chris Doherty, incidentally, has now pumped through 379 points in a variety of league, non-league and tournament games this season.

Hoop Lg. Presents Awards

The Andover-North Andover MCA Basketball Leagues were concluded after a modified season of play using both the new YMCA gym and the Brook St., "Y" gym.

Starting late in the season because of the opening of the new building in the fall, the League was conducted in two age divisions this year. A Pee Wee Division for 9 & 10 year olds was supervised by Edward Kelley and was won by Providence with an undefeated record. The second place club was U.C.L.A. Award winners for the Providence team included: Coach Milt Beaudine, Ted Kelley, Dick Kelley, Tim Corkery, Terry Flynn, Ray McMillian, Dana McMillan, Andy Emmert, Pat Beaudine and Peter Sergi.

The league for boys 11-14 years old was won by the Braves who also went undefeated. The second place team was the Bullets. Award winners for the Braves included: Coach Charles Conlon, Todd Zimmerman, Brian

Kozzera, Rick Gusmini, Dave Susmini, Mike Brown, Mike Muldoon, Steve Adiconis, Ira Gold, Chris Witt, Fred Teichert, Eric Teichert, Bob Meier.

The usual preparatory training program for 8 year olds was also conducted. These boys worked on basic fundamentals with intra-squad competition and will move up into intra-mural competition next season. Working with the 27 enrollees were: Charles LaBelle, Tom Comparato, Paul Dobson, Robert Maynard and David Maynard. YMCA Physical Director Walter J. Kimball, Sr. supervised the overall basketball program.

Life Saving Classes To Start

The Andover-North Andover YMCA will conduct Red Cross Life Saving Courses in its Spring Term which begins next week. Under a new pattern the former Senior Life Saving Course will be henceforth known as the Advanced Life Saving Course and is open to individuals 16 years of age and over.

Two such courses will be conducted by the YMCA. A course limited to Full Privilege YMCA members will meet on Thursdays, 7-9 p.m. at the new building beginning on April 3, over a 10 week period. A similar course, open to the general public, will be offered at the Phillips Academy pool as a concentrated six week program beginning March 31, this Monday, with sessions on Mondays and Wednesdays 7-9 p.m.

Candidates for both courses must be "at home" in the water, able to swim a quarter mile comfortably, must possess a strong scissors kick and should be able to surface dive in good form and swim at least 20 ft. under water.

A Red Cross Water Safety Instructors' Course will be conducted by the Red Cross at Phillips Academy beginning Thursday, April 17. Information sheet and application form may be obtained at the YMCA or Red Cross offices.

A YMCA Aquatic Safety course will also be conducted by the YMCA at Phillips Academy, open to the general public, beginning in May. The ten hours of training includes only four hours of water work and does not involve strenuous water rescues. This course now forms the foundation for all YMCA Aquatic Safety and Life Saving courses. It is also intended to provide essential training for older adults, owners of private backyard pools and others who will not go on to lifeguard type training.

A related Red Cross Standard First Aid and Personal Safety Course and Cardio-Pulmonary Resuscitation is also being offered over an eight-week period beginning April 1. Class sessions are on Tuesdays 7-9:30 p.m. The certifying course includes 114 hours of training in Standard First Aid and covers the four hour training requirement in Cardio-Pulmonary Resuscitation. Prior registration in all of the above courses is required at the new YMCA building.

Gym Meet Scheduled

The Recreation/Community Schools Department is having its annual Gymnastic Meet on Tuesday, April 1, at the Andover High School Gym. The meet will start at 6:30 p.m., but participants are expected to be there at 6 p.m. Competition is open to all Andover students in grades 3-6. There will be separate events for girls and boys; and the competition will also be divided into grades 3 and 4 and grades 5 and 6. There will be four events. Participants may enter a maximum of two events.

Any member of an organized club or team is not eligible to compete.

Trophies and ribbons will be given to male and female winners in each age division for each event.

Battle Of Undefeateds Scheduled

By Rick Harrison

The Intermediate Division championship of the Andover Church Basketball League will be decided tomorrow night at 6 p.m. at the East Junior High gym, when four-time defending titlist West Parish A and St. Robert's C collide in a showdown battle of the top two clubs.

The dual powerhouses remained undefeated (15-0), through action last Monday night, as both won key clashes against previously-undefeated St. Augustine G to stay neck-and-neck in the race for the crown.

St. Augustine G gave both co-leaders a rugged time, losing to West A only 25-19 and to St. Robert's C by a 28-17 margin.

Several other clubs also continued to play heads-up basketball down the stretch, as the long 17-game season drew to a close.

St. Robert's A posted two more victories and moved into a Tuesday game with West A sporting a flashy 13-3 ledger.

Ballard Vale United, 2-7 at one point in the season, climbed back to 8-8 on Monday night and needed a victory Tuesday for a winning season.

St. Robert's D also maintained its high-scoring pace by making it eight wins over a nine-game stretch, and St. Augustine B stayed as one of the division's toughest opponents by collecting two more victories.

Monday Night Madness

St. Robert's C had its hands full last Monday night with determined St. Augustine G, as an Ira Gold lay-up just before the half-time buzzer gave St. Robert's a slim 12-10 edge at intermission.

St. Augustine sparkplug Ted Kelley fouled out of the game early in the third period, and the winners took immediate advantage of his absence to pile up a fairly comfortable lead of 18-10 after three stanzas.

The rivals traded buckets in the last quarter for the 28-17 final.

Ira Gold emerged as game-high scorer with 12 points, while John McNamara caged 10, Todd Zimmerman 4 and Jamie Lebowitz 2 for St. Robert's.

Nine-year-old Dick Kelley was high for St. Augustine G with 6, Mike Yuska hooped 4, Ted Kelley 3, Mike Curley 2 and Tim Corkery 2.

Last Wednesday's Showdown

West Parish A came out smoking to grab a quick 8-0 lead on two hoops by Steve Doherty and one each from Chris Doherty and Bruce Belbin as St. Augustine G went down to its first defeat 25-19.

The score jumped to 10-2 after one quarter, and the closest St. Augustine G came was 19-16 at the close of the third period.

Steve Doherty turned in a superb all-around effort, netting a game-high 11 points as well as numerous key rebounds and steals. Bob Meier flipped in 4 points and did a fine defensive job "box-and-1" against G-team scoring threat Ted Kelley.

Chris Doherty and Bruce Belbin chipped in 4 markers apiece, while Mike McDonald banked home a key third quarter bucket for West A.

Ted Kelley and Mike Yuska shared team-high honors for the losers with 7 points each. Dick Kelley and Tim Corkery swished 2-pointers, and Steve Parker canned a third stanza charity toss.

Other Action

St. Robert's C posted its 14th straight triumph Wednesday, coasting past St. Augustine E by a 34-13 count as John McNamara poured through 18 points and Todd Zimmerman hit doubles with 10.

Ira Gold jammed in 4 points and Mike Damphousse bagged a first period basket for St. Robert's C.

Dave Robinson and Kevin O'Meara were the whole show for St. Augustine E, tossing through 7 and 6 points respectively.

West Parish B did the bulk of its damage in the opening stanza, drilling the drapes for 14 points enroute to a 16-6 conquest of Free.

Center Tim Plass stuffed 8 points for the winners, while Jimmy Kimball collected 4 and solo baskets were registered by Jeff Saulnier and Paul Newton.

Craig Horgan popped in 4 points and Doug Awley added 2 for Free.

The Christ Church Crusaders pulled one of the biggest upsets of the season, stunning St. Robert's B, 18-15. It was tied 9-9 at half-time before a 5-0 bulge in the third stanza boosted the Crusaders home.

Ken Taylor fired in a game-high 11 points for the victors, while Mark Rogers scored 4 and Dave Menard dropped through 3 points.

Howie Lebowitz powered the answering charge for St. Robert's B, producing 6 points which included four free throws. Ken Saliba pumped in 4 markers, Jeff Nicastro and Tommy Daley had 2 apiece, and Gregg Praetz swished a fourth quarter foul shot.

Red-hot Ballard Vale United moved within one victory of .500 following its 23-10 conquest of South Church, and the newcomers did it by spreading the scoring among seven different players.

Carolyn Darling led the way with 8 points, lefty Bob Heidt notched 4, Jay McLeod 3 and single baskets were bagged by Russ Bird, Lee Hollenbeck, Todd McLeod and Robbie Robinson.

Bruce Barnhill was the key man for South again with 10 points, while other standouts included Pete Zlatev and Glen Barnes.

Leading 21-13 after three quarters, St. Robert's D held on for dear life to eke out a 25-23 win over fast-finishing Baptist.

Ben Bram led St. Robert's D with 11 points, including 8 in the third frame when the victors moved out to their seemingly-safe eight-point bulge. Ted Liszewski added 6 markers, Vinnie Keegan 4 and Pete Byrne had 4 points.

Steve Rathbun dunked a game-high 15 points for Baptist, and ignited the late comeback bid with 8 last period tallies. Garnering single fieldgoals for the losers were Barry Bloom, Tom Stedman, Barry Goodman and Dan Schroeder.

Another Comeback Fails

St. Robert's A also found itself embroiled in a hot Wednesday contest, as St. Augustine C rallied from a 19-7 deficit to close to 23-19 by the final horn.

Helping St. Robert's A cling to the win was Steve Lietch with 13 points. Dick Danner pocketed 4 and solo buckets were caged by Alex Lanio, Danny Saunders and John Hannon.

Making it interesting for St. Augustine C was big Jim Torriassi who stuffed 10 points. Richie Sambuco banged home 3 and adding one basket each were Geoff Reichart, Chris Reichart and Jay Dilorio.

St. Augustine B reeled off 10 unanswered points early in the final quarter, breaking away from St. Augustine F for a 30-19 triumph.

Paul Sirois was the eagle-eye marksman for St. Augustine B with a game-high 12 points. Tom Walsh hooked in 9 more, 10-year-old Brian Moriarty scored 8 markers and Billy Caselden swished a last period charity toss.

Jack Horan gunned through 7 points in a losing cause for the F-team, and support was provided by John Kramer with 4. Solo floor connections came from Joe Zemis, Dave Barker, Dave Carignan and Steve Farrington.

The last in a series of close Wednesday contests saw St. Augustine A shade St. Augustine D, 23-21. Once again the winners almost blew a big lead, as they jumped to a 12-2 advantage after one quarter.

Dave Gusmini stuffed 13 points to propel the A-crew. Fred Foote netted 6, Steve Smith had a first period basket, and single free throws were potted by Tom and Jerry Fox.

Roger St. Amand countered with 8 points for the D-squad, while E. J. Perry flipped in 6, Pat O'Connor 4 and Mike White had 3 markers.

Back To Monday Night

West Parish A sped to a 10-2 lead after one quarter and eased up thereafter for a 31-18 win over St. Augustine A Monday night.

Steve Doherty spearheaded the West charge with 11 points, as the team notched its 26th straight ACBL win and 50th in the last 51 league starts.

Bruce Belbin trailed Doherty with 7 markers, while Chris Doherty and Bob Meier tossed in 4 each. Glen Johnson pocketed 3 points and Mike McDonald delivered a fourth quarter basket.

Fred Foote made the most noise for pesky St. Augustine A with 8 points while Steve Smith swished four charities, Dave Gusmini registered 4 points and Jeff Fleming canned one fieldgoal.

St. Robert's D outraced St. Robert's B, 38-20, behind the 1-2 punch of Ben Bram (17 points) and Vinnie Keegan (14). Marty Melia scooped in 3 markers, Rich Adams 2 points and Frank Byrne a pair.

Jeff Nicastro poured through 11 points to guide the losers. Tom Daley stuffed 4 last quarter points, Gregg Praetz and Joe Buzzert banked in 2 markers

each and Howie Lebowitz hit a solo free throw.

Ballard Vale United broke a 6-6 first period standoff to upend St. Augustine F, 32-15.

Late-arriving Bob Heidt still paced all marksmen with 12 points. Jay McLeod and Russ Bird gunned through 6 tallies each, while Todd McLeod and Carolyn Darling bagged 4

markers apiece.

Jack Horan handled the bulk of the St. Augustine F offense with 9 well-spaced points. Additional baskets were stuffed by Dave Carignan, Steve Farrington and Dave Barker.

St. Augustine B shifted into overdrive and motored past St.

Vickers Marksman In Hoop Shooting

By Rick Harrison

Billy Vickers, the divisional scoring champion, showed why he won that title by capturing the Junior Division shooting contest and then leading the St. Robert's Braves to a 14-4 conquest of the All-Stars in Andover Church Basketball League action last week at the West Junior High gym.

These activities brought to a close the Junior Division portion of the 1974-75 ACBL season.

Shooting Contest

The top marksman from each of the six Junior teams squared off in the annual shooting contest, which featured five free

throws and five shots from inside the key area.

Both Vickers and Scott Zimmerman of the St. Robert's Knicks tied with a very respectable 5-for-10 overall, as Vickers came on strong to net his last three shots and force a playoff.

Young Mr. Vickers swished 6-of-10 in the playoff, while Zimmerman canned four shots and had to settle for the runner-up spot.

Others competing in the shoot-off were Charlie Frazette (St. Augustine Pistons), Jon Baer (Celtics), Tom O'Brien (St. Robert's Sonics) and John Young (St. Augustine Bullets).

All-Star Game

The Braves, undefeated during the regular season with a 9-0 record, kept the slate unblemished with their 14-4 victory over the Junior All-Stars.

Solo buckets by Billy Vickers and Robbie Slayton powered the Braves to a 4-0 first quarter lead, and the difference doubled to 8-0 by halftime following baskets from Marc Bolan and Slayton.

Ken Doherty of the All-Stars and Marc Bolan traded third stanza field goals to jump the score to 10-2.

Vickers and Bolan found the range once again for the Braves in the finale, while Mark Nar-

done hit for the 'Stars to produce the 14-4 score.

Members of the All-Star squad were Charlie Frazette and Robbie Harrison (Pistons), Jon Baer and Charlie Ziegenbein (Celtics), Tony Romano and Jim Terrion (Sonics), Ken Doherty and Mark Nardone (Bullets), Scott Zimmerman and Phil Puccia (Knicks).

Members of the Braves who played were Doug Lindquist, J.R. Lindquist, Matt Butterworth, Bobby French, Billy Vickers, Marc Bolan and Robbie Slayton.

Augustine C in a high-scoring 39-28 affair.

Paul Siros and 10-year-old Bill Caselden were the chief eagle-eye shooters, netting 14 and 12 points respectively. Brian Moriarty dunked 6, Tom Walsh 4, Chris Kelley popped through a third quarter bucket and Alex Gioia hit a last period charity for the B-quintet.

Jay DiIorio led six C-team members in the scoring parade with 7. Jim Torrisi and Chris Bedell chipped in 6 each, Chris Reichart notched 4, Richie Sambuco 3 and Steve Paradis a brace of points.

Rathbun Nets 27

Steve Rathbun displayed the hottest pair of hands in the league this season, scorching the strings for 27 points as Baptist zinged Free, 37-9.

Barry Bloom and Neil Schroeder pitched in 4 markers each for the winners, and Chris Rizzo found the range once in the fourth quarter.

Countering for Free were Doug Awley with 5 points, Craig Horgan 3 and Scott Lindstrom a third stanza free throw.

The Christ Church Crusaders won their sixth game in the last eight tries, erasing a two-point halftime deficit to overpower St. Augustine E by a 32-22 margin.

Mark Rogers caught fire in the second half, tossing through 12 of his game-high 19 points. Kenny Taylor also cracked twin digits with 11 and Dave Menard hit the bullseye in the second frame.

Dave Robinson continued consistent for St. Augustine E with 10 points. Able assistance came from Kevin Donnelly and Kevin O'Meara who garnered 6 each, with O'Meara swishing all six from the charity stripe.

St. Robert's A sped to an 8-1 lead after one quarter, then sputtered but hung tough for a 20-16 triumph over improved St. Augustine D.

Steve Lietch tucked home 8 points for the victors, while Danny Saunders and Dick Danner arched in 4 markers apiece. Completing the St. Robert's charge with solo buckets were Paul Tassanari and Craig Lebowitz.

West Parish B moved to a 16-9 scrimmage game decision over South Church, as Tim Plass stuffed 12 points for West B and single baskets were tacked on by Steve Johnson and Scott Belbin.

Bruce Barnhill did the damage for South with 9 tallies, while West B players Alex deConstant and Paul Newton banged in 2-pointers while "on loan" to South for the scrimmage.

Schedule

Once an Intermediate Division champion is crowned tomorrow evening, the ACBL will conclude 1974-75 activities with a foul shooting contest for both Intermediate and Senior Division players on Wednesday, April 2 at the West Junior High.

The annual league Awards Banquet will be staged on Wednesday, April 16 at the West Junior High.

Pauline Field shys away from publicity for all the thousands of volunteer hours she's put in over the years because, she says, "I've enjoyed doing it."

"If I didn't enjoy it," she says, "I wouldn't have done it."

But her friends at the Andover Red Cross weren't about to let 35 years of service to them go unnoticed, and they threw a party at the Punchard Street office for her last week.

Mrs. Field started making bandages for wounded servicemen during World War II in that same building. Today her Red Cross work includes the "canteen" detail for most local blood-mobiles, and last year the Andover chapter sponsored 45 of them.

Serving coffee and donuts to donors is right up her alley now too, because as a volunteer at Lawrence General Hospital a day a week, Mrs. Field pumps soft drinks and orders up sandwiches in the coffee shop.

Her daughter and grand-

daughter first served as volunteers at the General, and talked her into joining them there 16 years ago. They've both moved away now, but Mrs. Field, who turns 78 this week, has stayed on.

A native of Melrose, Mrs. Field and her husband, Leon, moved to Shawsheen in 1923, after they had

lived briefly in Malden, and in New Haven, Conn. Mr. Field retired as head of the engineering department at Champion International in 1959, and the Fields have been on Wolcott Avenue now for more than 40 years.

Their daughter Gloria, married to Andoverite Gordon White, now lives in Cape Elizabeth, Maine. Their daughter, Linda, who presented the Fields with their first great-grandchild, 10-month-old, Amy, also lives in Maine with her husband. There are also two White grandsons, Stephen, and Allen.

Red Cross work wasn't exactly new to Mrs. Field when she came to Andover, because she had knit wristlets and scarves during World War I.

"The poor soldiers who got them," she teases, claiming that needlework isn't one of her hobbies. She is an avid reader however, putting away about a book a week.

Beginning in 1940, a group of women met once a week in Andover to make the bandages which, Mrs. Field's son-in-law told her, also made great teabags for the servicemen.

In 1945, when the men started coming home, Andover sent quite a group of volunteers to the Bedford Veterans Hospital once a week and Mrs. Field was one of them. They did a lot of things with the patients she says, such as taking them to their canteen or playing cards.

At one time there were 1800 veterans there, she says, though the number has dwindled since.

Later at Bedford, she took four or five women patients on Wednesday outings - shopping, on all-day excursions to Gloucester, Cathedral in the Pines, and the like.

The chapter still gives birthday parties at Bedford in April and May, and a picnic in June. But, Mrs. Field says, she gave up those trips herself last year.

Mrs. Field also served as head of the Red Cross motor corps for 18 years, often driving into Boston three times a week herself to take people to outpatient clinics or whatever.

While she no longer does that particular job, her driver's license is still very important to her. She's about to go into the hospital - for the first time in 52 years as a patient - to have a cataract operation, so she can get her license renewed, so she can return to her volunteer duties.

Easter Chicks Taboo

Don't give your children baby rabbits, chicks or ducks for Easter, urges the American Veterinary Medical Association (AVMA). Not only is it cruel to give these animals as gifts, in

many states and cities it is illegal.

Rabbits, chickens and ducks are farm animals; they rarely survive in the home. A young child's enthusiasm over the new pet often results unknowingly as legs are broken and wings crushed. If the animal dies or is injured, it is a traumatic experience for the child. If the animal survives, it generally ends up in an animal shelter.

EASTER

Easter, a most joyful event of the Christian Calendar is observed this Sunday in a world still beset by problems the Sacrifice on the Cross at Calvary was meant to resolve.

As we commemorate the Great Triumph of Easter this year, there is civil and national strife in other parts of the world, there are problems of hunger, both abroad and at home, in a land of plenty.

Still existing is the lack of understanding and love among mankind, which leads to the problems of world-wide import.

All of this was to be wiped away by the Sacrifice made by His journey to Calvary and sacrifice on the

cross

But, continually over the centuries, mankind has strayed from the lessons and meaning of the Easter season

As we observe the sounds of Easter this Sunday, with the churches ringing out the Alleluia chorus, let us make it meaningful, by reflecting on His Triumph - His resurrection, as He had promised as the most magnificent example of a man of love and trust.

Through our rededication of our lives toward Him let us hope that such effort will lead us to the peaceful world we so fervently desire and for which He sacrificed to obtain.

A Bit Too Sensitive

The selectmen, we think, are being a little too sensitive about the commentaries being made by the Finance Committee in their report, as well as some of the suggested budgetary procedures for the coming year.

Monday night, Selectman Alan F. French referred to the FinCom as attempting to become another arm of government at the administrative level.

This was due to FinCom's suggestion that the police budget be cut with the provision that the town could come back and get funds from the reserve fund if necessary.

Also found objectionable was a section of the FinCom report which indicated the group had made recommendations and suggestions which could lead to savings for the town.

For many years, the selectmen and FinCom have been somewhat at odds as town meeting time approaches, each putting forth a point of view on monetary matters, with one thought in mind - the best interests of the town.

The FinCom, if one were to draw up a job description, is charged with being an advisory body, whose recommendations can be accepted or rejected at town meeting floor.

For want of a better description, one might more aptly dub the financial overseers as the municipal thorns in the side of municipal officials.

They probably don't mean to be, but that's what they wind up as, from time to time, as their considered judgment fails to meet with the approval of those at the administrative or policy making level.

We foresee no power struggles existing between the FinCom and any municipal board. They have no power, other than advisory. We would doubt that the FinCom members would be desirous of spending any more time than at present in adequately carrying out their duties.

The selectmen propose a joint meeting with the FinCom for after town meeting to come to some mutual understandings.

We trust that the result will be that the FinCom will continue to operate as in the past, giving their recommendations and suggestions, based on their judgements.

Town meeting will, as prescribed by statute, make the ultimate decision based on facts presented, and when the occasion arises, weigh the arguments given by the various municipal boards involved.

We do not necessarily agree with the FinCom stand on some things, but neither do we quarrel with their right to make observations, which is their duty.

The selectmen, we think, are just a bit too sensitive on the subject.

Town Meeting

Andover's annual exercise in what is traditionally described as New England democracy gets underway Monday night, when the annual town meeting opens in Memorial Auditorium of East Junior High School at 7:30 p.m.

Municipal officials have been studying budgetary requests, zoning and conservation issues, streets acceptances, and all the particular items which make up the agenda for the annual municipal business session.

Monday night, the decisions lie in the hands of those who ultimately decide the municipal and financial fate of the town for the fiscal year 1975-'76.

The voters of Andover have received recommendations from the Finance Committee, selectmen and school committee, along with planning board judgements.

The elected and appointed leaders of the community have afforded their considered expertise on what is best for the town and now it is up to the electorate to make their decision.

As of this writing, tax rate predictions for the year ahead vary from an increase of \$1 to either a hold-the-line levy or a reduction of \$1 depending on whose advisories one chooses to follow.

The decision will be made some distance down the warrant when the use of the town's free cash is decided.

The selectmen, based on the manager's recommendations, advocate use of \$1.2 million, while the FinCom has been suggesting \$1.5 which would leave the tax rate the same, or reduce it \$1.

Much of the current estimates are based on state revenues. Echoes from the state house do not look promising, and while the state will provide the town with some funds, it could be below expectation, based on the state's financial deficit.

We suggest that this be borne in mind as the meeting reviews its financial obligations and considers the expenses of the year's ahead, which already are presenting a gloomy tax prediction.

There would seem to be more financial security in either opting for the \$1 increase or a tax rate retention, than going for a reduction and sacrificing some savings for the year ahead.

In any case, the decision lies with the voters of Andover, who we would urge to attend the annual session commencing Monday night.

Off The Top Of The Desk

The youngsters who appeared in a picture in last week's TOWNSMAN as participants in the play "Fiddler On The Roof," were from the Sanborn school and not Bancroft.

"55 Squad" the state police team which is maintaining the 55 mile per hour speed limit on state highways, the Registry of Motor Vehicles is doing what appears to be a commendable job on Route 114 in North Andover.

Teams have been spotted along the dangerous highway the past several days. Some have had speed violators pulled over to the side, while others, with appearance alone, have provided

a more alert driver on the highway which has claimed several lives and been the scene of many serious accidents.

While overall improvement of the road is the best solution, the efforts of the Registry officials is having some effect.

The work of making repairs at the South church is progressing well under the direction of Hardy and Cole.

The first Grand Ball of the Lincoln Club will be held in Town Hall on Monday night. The Andover orchestra will provide the music. In charge of the affair are E. E. Trefrey, Henry V. Laline, John H. Matthews and J. H. Playdon.

Supt. of Schools George E. Johnson spoke at Newton last evening before an education group of which D. C. Heath is president. Mr. Johnson spoke on the theoretical side of the value of systematized play and vacation schools, while Mr. Heath spoke on the practical side.

E. O. Clark has been engaged by H. F. Chase to do bicycle repairing at his shop in the Musgrove block. Mr. Clark is quite expert and thoroughly competent at his trade and was obtained from the Whitten and Pollard shop of Lynn.

The Shawsheen cafeteria which has been operated on Haverhill street for the past two years will close on Saturday and henceforth all patrons will be accommodated at the Manor.

Shawsheen Soccer Club has advanced to the semi-finals of the National Challenge Cup and will meet Bayonne, N. J. Skeeters on Saturday at the Walpole Street Grounds in Boston.

Spectacular blaze in Ballardvale attracts hundreds as fire alarm rings uncontrolled for about one-quarter house. The Arthur Beaulieu barn on Andover street, with six tons of hay stored inside, burned for several hours.

Bancroft Pratt and James Cole, both of this town, who excelled in winter sports at Bridgton Academy, were presented their letters this week.

Andover's tax rate will be adversely effected by the announcement that the county tax has been increased. Andover share, originally \$1.84 of the tax rate for county costs, will now be \$3.11.

25 Years Ago - March, 1950

A group of 14 census takers under the direction of Arthur R. McCabe of Porter Road, will begin the state census taking on April 1, making house to house visits.

J. Everett Collins, director and Philip K. Allen interlocutor, are conducting rehearsals for the "South Pacific Minstrels" to be presented by the Andover Male Choir and Square and Compass club in April.

The school committee at a special meeting Tuesday night voted to have one principal for both the senior and junior high schools.

In view of the extensive damage to the playstead, the board of public works has voted to keep the gates closed until the frost is completely out and the fields can be worked on.

The TOWNSMAN announces that it will begin next week's production of the weekly newspaper on photo offset facilities, presenting an entirely new look, particularly in clarity.

10 Years Ago - March, 1965

Town Manager Bowen has decided to retain the same salary rates for police and firemen. There has been some discussion on changing the salary schedule.

The school committee this week granted tenure to Sanborn Principal Joseph Normandie and High School Principal Philip Wormwood.

What Our Readers Say-

To the Editor of the TOWNSMAN

Thru your column may I present my views on the Andover Co-op in regards to its problems. Oh Andover Co-op - Andover Co-op does the good folks of Andover want you to be a flop? If we allow this to happen let me ask where are we going in 1975 or 1976 our bicentennial year? If the Andover Co-op is forced to close its doors for lack of more share holders plus lack of towns people patronage it will be a sad day for Andover.

The Andover Co-op or Cooperative was established a good many years ago as many are aware of. It was established by dedicated - hard working people interested in having a locally owned market - run by Andover residents - thus making it a land mark for Andover.

Andover Co-op is an asset to the town of Andover in character - character of building and also in the character of its employees who are to be commended highly.

Why close the Andover Co-op and land its employees in the unemployment class? Thus add to our unemployment figure we now have.

If Andover Co-op closes down it will have its effect on other locally owned stores in town namely - for lack of townspeople patronage and support. We then will have no need to study to reorganize the business district, etc. it will automatically be accomplished by folks not interested in shopping Andover when ever possible.

Andover residents patronized the Andover Co-op in past years very well. How come we are not on the beam in 1974-1975. What's wrong with us? From now on lets put our shoulder to the wheel and give Andover Co-op a great deal - patronize wise. It is now up to me and you to decide the fate of the Andover Co-op.

How about buying some shares - they are low in price - but high in their results of Andover Co-op future - as a good cause. Andoverite's usually support a good cause. How about it?

To the Editor of the TOWNSMAN

Dear Sir:
How to discourage people from attending town meeting.

First, Moderator Dalton's idea that the Warrant for town meeting be kept open continuously and when enough articles have been presented a meeting held is all to the good.

On the other hand his recent ukase that, as reported in the paper, "Persons who feel that additional time is required to present information relative to (an article) will be allowed additional time, if arrangements are made in writing to the moderator in advance of the session" would hardly be supported by a court of equity. How can one know before having heard the presentations how much time will be required to answer? Hence this edict has most of the aspects of "Take your pill 15 minutes before the pain starts."

Bach: Magnificat in D
Mozart: Vesperae solennes de confessore, K. 339 (first BSO performance)

The town does not provide a complete factual report of its past year activities until 5 months after town meeting takes place and it fails also to require the Finance Committee report with detailed articles to be presented to voters not less than 30 days before the meeting takes place. This edict is without merit.

Moreover, the opinion that time will be saved by making each person who wishes to discuss a line item later on identify their person whereas the single work "pass" is now sufficient will add to the time used. That is clear. In most cases where a person calls for a "pass" and later on does not respond (no time is lost) it's because something has been said in the meantime that has made the situation clear.

Now turning to the Warrant as published so far: 23% (14 Articles) seek to change by-laws. Article 16 would set a larger number for a quorum. Article 17 seeks the opposite. It would cast caution aside. Town business could be conducted by, say 110 people the minute 7:30 arrived. Anyhow, time consumed in fruitless debate would be usefully employed in making meetings attractive. Decision making at a given time and place has to be merchandized to interest people.

We can place a sign over the main street in the village and similar signs over Dascomb Road, Lowell Street and River Road at I-95, say two week before hand. The Motto could be "Your Opportunity to Improve Your Town."

Every successful merchandizer understands that to get the people into the "store" it must be

understood that there is more than the advertised items from which to chose. However, some years ago with more enthusiasm then sense, the selectmen were sold the "egg" by their manager that no longer would the town warrant carry the phrase "and to conduct such other business that may come before the meeting." If there is a more efficient method of reducing interest in town meeting it has yet to be found. And worse still, the selectmen banned this interest getter on the ground that voters were actually using their right in this respect.

In place of Articles 16 and 17, which it is hoped are withdrawn, place an Article which say "that at 10 p.m. of the first two night sessions of town meeting the meeting accept, with approval of not less than 10% of the voters present, not more than 4 articles for consideration by the next session not earlier than 7 days ahead." If this is contrary to state supervision, then I'm sure our man on Beacon Hill can have the change accomplished in due course. As it is people do not attend town meeting because they

Maundy Thursday Service

On Maundy Thursday, March 27, a service of Holy Communion and the Office of Tenebrae will be held at 8 p.m. at South Church.

The Ancient Office of Tenebrae is an adaptation of an early Fourth Century Office which is ushered in by a solemn observance of the Holy Communion. The Communion Table in the chancel is arranged in the form of a Cross. The church is dimly lighted. The gradual extinguishing of the lights is symbolic of the flight of the disciples,

and the Passion of our Lord. The moment of total darkness recalls the days Christ was in the tomb and the relighting of the single central candle is prophecy of the Easter so soon to dawn. The rule of silence is rigidly observed. The hymn stanzas interpret the devotional significance of the Passion, from the Hour of Fellowship in the Upper Room to the Hour of Loneliness in the Garden.

The community is cordially invited to attend.

Ham, Bean Supper Scheduled

The annual Spring Ham and Bean Supper, sponsored by the Friendly Circle of the Andover Baptist Church, will be held Saturday, April 5 in the church vestry on Central Street.

The familiar menu of ham, several varieties of beans, rolls, potato salad, cole slaw, and other relishes, will be served from 5 p.m. to 7 p.m.

Tickets may be obtained from ticket chairman, Mrs. Norman Guild and other Circle members, or at the door and there will be tickets specially priced for children.

Admission, Hours Change At Museum

In an effort to reduce energy consumption and to defray skyrocketing operational costs, the Trustees of the Museum of Fine Arts has announced a change in the Museum hours and admission charge, to go into effect May 1. The Boston Museum will be open six days a week instead of seven, and the price of adult admission will be raised from \$1.50 to \$2.50.

Beginning May 1, the Museum will be open Tuesdays 10-9 p.m., Wednesday through Sunday 10-5 p.m., and closed Mondays. This schedule, consistent with most major museums throughout Europe and the U.S., comes after

a 22-month period of experimentation with the seven-day week.

Children under 16 will continue to be admitted free of charge at all times. The free admission policy for all visitors Sundays 10-1 p.m. will also continue, so that families can enjoy the Museum together at no cost.

John Coolidge, president of the Museum of Fine Arts, commented on the decision: "Due to

inflation, the Museum's operational deficit has risen substantially. To offset this situation, the Trustees have decided to economize by closing the Museum during the least popular hours. At the same time, we have recognized, with regret, the necessity of raising the general admission charge so that the free admission policy on Sundays may be continued."

To Discuss Consumer Education

The Jackson College Association of Tufts Alumnae will sponsor a discussion on consumer education on Thursday, April 3 at 7:30 p.m. in Alumnae Hall on the Tufts Medford campus.

Guest speaker for the meeting will be Carol Rabb Goldberg, current vice-president - general manager of Stop and Shop Companies as well as a charter member of the Tufts University Board of Trustees. Mrs. Goldberg, who graduated magna cum laude from Tufts in 1953 has worked her way from positions in public relations, sales, advertising and corporate marketing to her present office which she assumed in 1972. Her topic for the evening will be "The Consumer's Right to be Heard - How to Make it Happen!" Special invited guests will be the members of the Jackson College Senior Class.

Norma C. Cipro of Andover,

current Vice-President of J.C.A.T.A., is chairwoman for this event. All area Jackson or Tufts alumni and their guests are invited to attend and share their views on consumer action. Coffee and refreshments will be served following the discussion.

Wins Award

Mrs. Robert H. Lange of the Andover Garden Club won second prize for her flower arrangement in the "Sunset Seance Class," of the New England Spring Garden and Flower Show

Opera Co. To Perform In N.H.

Wolfgang Mozart's "Cosi Fan Tutte," one of the most charming and popular comic operas of all time, will be presented at the Palace Theater in Manchester, N.H. on April 14 at 8 p.m. under the artistic direction of the famed Sarah Caldwell.

New Hampshire opera lovers look forward to the return of Opera New England, an affiliate of the Opera Company of Boston, after its critically acclaimed performance of "Madam Butterfly" here last fall.

First performed in 1790 and based on some real-life intrigue, "Cosi Fan Tutte" is the very ideal of the opera buffa. It will be presented in English and produced by Miss Caldwell, with full sets, costumes and orchestra.

"Cosi Fan Tutte" begins as a tavern argument between a cynical man-of-the-world, Don Alfonso, and two young officers. The young men insist on the faithfulness of their respective fiancées, but Don Alfonso insists, "All women are the same - Cosi Fan Tutte." A large wager is made and the young men pretend to be called to war. After tearful farewells they leave, returning disguised as "Albanians," each attempting to seduce the other's sweetheart. Set to incredibly beautiful music by the young Mozart, who himself was in love with the two sisters, "Cosi Fan Tutte" ends happily, if ambiguously, when the "Albanians" leave and the "young officers" return.

For ticket reservations or information contact the Palace Theater.

Buczko To Address Group

The money management of state agencies, under fire most of the time by taxpayers and editorial writers, is being bombarded with criticism now during a time of economic crisis.

Balancing state agencies' need for more money against less available revenue will be discussed by state auditor Thaddeus Buczko on April 3, 6 p.m. at DiBurro's restaurant in Brad-

lord.

Buczko will speak at the spring dinner meeting of the Merrimack Valley chapter of the Bentley College Alumni Association. As state auditor, Buczko oversees the spending of state money.

A graduate of Norwich University and Boston University Law School, the auditor also attended Northeastern and Bentley College. A native and resident of Salem, Buczko has been auditor for 11 years and was a state representative and Salem city councillor.

Reservations for the dinner may be made by March 31 with Paul Abate, 4 Tanglewood Way in Andover.

'HAVE WE NOT ALL ONE FATHER? HATH NOT ONE GOD CREATED US?'

Malachi 2:10
A lot of people acknowledge God as Father. But do they really understand the man He made?

As you get a deeper understanding of the Bible, the spiritual nature of man and of all creation appears. Then Christian unity and the brotherhood of man appear in your life, too.

Selections from the Bible and Science and Health with Key to the Scriptures by Mary Baker Eddy, to be read in our church service this Sunday, will help you understand the Bible's message of brotherly love in a new light.

We'd love to welcome you.

Ham Is Feature

Hams will be featured at markets this week and there are also good buys in fresh produce for Easter Sunday and dinner menus throughout the week, says the Massachusetts Department of Agriculture.

Price per pound may be what you notice first when selecting ham and other meats, but remember that cost per serving is what really counts in terms of your total food budget.

Since a boneless ham yields about 4 servings per pound, it will generally cost more per pound than a bone-in ham which yields three servings per pound at the most. Cost per serving can be easily calculated before you buy. If you purchase half of a bone-in ham, the butt half has a higher proportion of meat and thus will usually cost more than the shank half, which contains the shank bone and part of the leg.

Remember that only hams labeled "fully cooked" have been cooked thoroughly in processing and are ready to eat though heating adds to their flavor. But hams simply labeled "cured" or "cured and smoked" must be cooked to an internal temperature of 160 degree F. before eating.

**WE'VE GOT WHAT
YOU NEED...**
the proven radial.

If you need tires, come in and let us tell you about the original steel-belted radial... Michelin 'X'. You'll be glad you did.

40,000 MILE WARRANTY

*Michelin's Warranty for X Radial Highway Passenger Tire shown here covers tread life, normal road hazards (excluding repairable punctures) and defects in workmanship and materials for 40,000 miles, when tire is used on passenger vehicles in normal service in continental United States, except Alaska. Credit or refund (at Michelin's option) is equal to current actual selling price multiplied by percentage of warranted mileage not run on tire.

10% Gas Savings

Because of the lower rolling resistance of Michelin "X" radials over conventional bias-ply tires, you might get as much as 10% savings over your present gas consumption. This means more miles per gallon of gas. It means extra dollars in your pocket.

SPECIAL TOWN MEETING WARRANT THE COMMONWEALTH OF MASSACHUSETTS ESSEX, SS.

To either of the Constables of the Town of Andover Greeting:
In the name of the commonwealth you are hereby required to notify and warn the inhabitants of said Town who are qualified to vote in Town Affairs to meet and assemble at the Memorial Auditorium, Bartlet Street, in said Andover, on
MONDAY, THE SEVENTH DAY OF APRIL, 1975
At 9:00 o'clock P. M. to act upon the following articles:

ARTICLE 1. To see if the Town will vote to determine what sums of money the Town shall appropriate from available funds to supplement existing appropriations for the current fiscal year ending June 30, 1975.

ARTICLE 2. To see if the Town will vote to appropriate from available funds the sum of \$17,000.00 for the observance of the Nation's Bicentennial.

ARTICLE 3. To see if the Town will vote to authorize the Town Manager to file, in behalf of the inhabitants of the Town and in conformity with Public Law 93-383, an application for funds in form and manner required by the United States Government, and to authorize the Town Manager to enter into contracts and expend funds in conformity with Public Law 93-383.

ARTICLE 4. To see if the Town will vote to amend the Town Bylaws by adding the following section to Article IV entitled "Matters involving Town Monies" of the Town Bylaws:
Section 6. Estimate of Expenditures: The Town Manager shall in accordance with Section 15 of Chapter 571 of the Acts of 1956, which establishes the Charter for the Town of Andover, as amended by a vote of Town Meeting on April 1, 1974, submit his annual budget on or before the third Friday of January.

ARTICLE 5. To see if the Town will vote to amend Section 1 entitled Annual Town Meeting date; Special Town Meeting: of Article II of the Town Bylaws by deleting from the first paragraph of said section the words "First Monday of March" and insert in place thereof the following words: "Fourth Monday of March" so that the first paragraph of said section shall read as follows:
"The Annual Town Meeting for the election of Town officers and for other purposes shall be held on the fourth Monday of March in each year at such place or places within the Town as the Selectmen may designate in their notice thereof."

ARTICLE 6. To see if the Town will vote to authorize the Selectmen and Town Manager to petition the Massachusetts legislature for a Special Act to authorize the Town of Andover to raise by taxation and appropriate, transfer from available funds or any combination of the foregoing, a sum in the amount of \$20,000.00, to pay to the Massachusetts Bay Transportation Authority for passenger rail transportation provided during the periods of January 1, 1974 through November 17, 1974; November 18, 1974 through April 7, 1975; and April 8, 1975 through June 30, 1975 and billed by said Authority to the Town, said amount not to be expended unless the MBTA receives the 50% reimbursement by the Commonwealth on behalf of the Town of Andover.

And you are directed to serve this warrant by posting attested copies and publication thereof, seven days at least before the time and place of said meeting as directed by the Bylaws of the Town.

Hereof fail not, and make return of this warrant with your doings thereon, at the time and place of said meeting.

Given under our hands this twenty-fourth day of March, A. D. 1975.

Dr. Fred G. Arragg

Elected Director At Bank

Dr. Fred G. Arragg of Andover, has been elected a director of the Bay State National Bank.

Dr. Arragg, a fellow of the American College of Surgeons and American Academy of Ophthalmology and Otolaryngology, serves on the staffs of the Bon Secours, Boston City, Amesbury hospitals and the Isham Infirmary at Phillips Academy.

He attended Lawrence schools and graduated from Harvard in 1944 and Tufts University, School of Medicine in 1947. He has been practicing medicine in Greater Lawrence since 1950, specializing in diseases of the ear and hearing.

In 1968 he was awarded an Honorary Doctor of Science Degree from Merrimack College.

He has served as a member of the board of directors of the Lawrence YMCA and a trustee of Memorial Hall Library in Andover and the budget committee of the United Fund.

He resides in Andover with his wife, the former Emily George and their three children.

Biggs To Appear At Academy

On Friday, April 4 at 8 p.m., Phillips Academy and the Merrimack Valley Chapter of the American Guild of Organists will present an evening with the world-famous organist E. Power Biggs. Mr. Biggs' subject will be "Great Organs of the World: An Adventure in Sound from Mono to Quad," and his talk will be illustrated with tape recordings made by him on many of the outstanding instruments of Europe.

Accclaimed by the New York Times as "creator of a renaissance of interest in great organ music," E. Power Biggs has probably done more research and more traveling than any other organist in history. At times, he has traveled as much as 75,000 miles a year in order to record each country's music on its own historic organs. He has certainly made more recordings than any other organist in the world.

In addition to his renown as this country's foremost concert organist, Mr. Biggs is noted for his eloquent and entertaining lectures, which are always amply illustrated with his own tapes. In his career as a recording artist, he has been involved with monaural, stereo and quadraphonic recording techniques. With the recent advent of quadraphonic sound reproduction, he has begun a series of organ recordings which brings to the listener the sounds of great instruments in their resonant acoustical surroundings with breathtaking realism.

a representative body of work which demonstrates a high level of accomplishment. May 1, 1975 is the deadline for receipt of applications from photographers, filmmakers, video artists, poets, fiction writers, playwrights and choreographers.

The fellowships will be awarded solely on the basis of artistic excellence, and may be used to give the artist more time for creative work, to help purchase materials, or in other ways to

further the artist's career.

Panels of professional artists and other experts representing a variety of approaches in each art discipline will review the work submitted and select the artists who will receive fellowships.

Application forms are available from the Creative Artists Services program, Massachusetts Arts and Humanities Foundation, Inc., 14 Beacon Street, Boston, Mass. 02108.

The Creative Artists Services program is supported by funds from the Commonwealth of Massachusetts Council on the Arts and Humanities.

School Board Meets Tuesday

The Andover School Committee will hold regularly scheduled meetings next Tuesday, April 1, and Tuesday, April 15, at 7:30 p.m. in the West Elementary School Auditorium.

Weather conditions may not be completely spring like, but the appearance of pussy willows, Spring flowers and Easter, certainly perks up the old spirits this time of year.
